

REMARKS

The "Detailed Action" that accompanied the Notice of Allowance stated that the Information Disclosure Statement filed October 18, 2005 fails to comply, because no English translation was provided.

In fact, an English translation was provided. There is attached to this paper a copy of that Information Disclosure Statement, as well as the receipt card from the Patent Office proving its filing. Notice that the receipt card recites the Chinese Official Action with English translation. The date stamp of the Patent and Trademark Office proves that the English translation was filed.

Accordingly, withdrawal of the holding of non-compliance and consideration of the Information Disclosure Statement of October 18, 2005, as well as the submission of a suitably initialed copy of PTO-1449, are respectfully requested.

Respectfully submitted,

YOUNG & THOMPSON
